

# Otet Santa Rally

A profitable ending for a powerful new beginning

**Entry period: December 16 to December 31, 2025**

---

**Rewards: \$26,000 in trading capital assistance**

## What Is the Otet Santa Rally

The Otet Santa Rally is a short term investment campaign that takes place at the end of the calendar year and is offered only once per year. During this period, trading volume in the Forex market typically declines, while the crypto market remains active. This campaign has been designed to **protect client interests and support smart capital management**.

Your funds are held in a **MetaTrader Invest account**, allowing you to **earn a fixed monthly return of %5 calculated on a daily basis, without the need for active trading**. Market conditions and professional capital management are handled by **Otet's specialized team**.

## What Do You Need to Do

- Keep your funds in the **MetaTrader Invest account**
- Do not place any buy or sell trades
- **Your profit is calculated on a daily basis**
- Both profit and original capital become **withdrawable at the end of the period on January 31**

## How to Participate

- 1** Register with Otet or log in to your account
- 2** Deposit at least \$200 into your account
- 3** Transfer the funds to your MetaTrader Invest account

**Once these steps are completed, you will be automatically entered into the rally.**

## Profit Rate and Withdrawal Schedule

- The plan offers a fixed monthly profit rate of 5% calculated daily.
- Profit is calculated and recorded every day.

- Withdrawal of both profit and original capital is only available on January 31, 2026.

**!! If a withdrawal request is submitted before this date, it must be done through customer support. In this case, the profit will be canceled, and only the original capital will be available for withdrawal.**

## **How Trading Capital Assistance Is Awarded**

- For every \$100 invested, you receive 10 points.
- At the end of the campaign, the top 26 participants with the highest points are selected.
- Each selected participant receives \$1,000 in trading capital assistance.
- This capital can be used for trading for up to 26 calendar days.
- Any profits generated from trading are withdrawable.

## **Important Conditions**

- The minimum deposit required is \$200.
- The Otet MetaTrader Invest account is a non trading account, and buying or selling is not allowed.
- Participant rankings are published transparently.
- The withdrawal date for profit and capital is January 31, 2026.
