

How to enter the Otet Markets user account (Sign in)

To log into your Otet account, simply follow these steps:

1. Go to the homepage of <u>https://otetmarkets.com/</u>and click on the "Login" button.

2. The login page will appear. Enter your email and password, then click the green "Login" button.

* Note: If you have enabled two-factor authentication, after pressing the Login button, you will be asked for a second password. This password is generated by the Google Authenticator application that you have installed on your mobile.

3. Write the code generated in the Google Authenticator app in the corresponding box (image below). Then, press the Confirm button to log in to your account.

Enabling two-factor authentication significantly enhances your account security and virtually eliminates the risk of data theft and account fraud. To learn how to activate this feature and use the Google Authenticator app, please refer to our comprehensive guide on increasing account security (<u>link to the article</u>).

4. Another way to log in to your Otet account is by scanning the encrypted QR code shown in the image below.
