Dear client! Your new MT5 Live account details are listed below: Currency: USD Order type: Hedging	
Login ID: 5{ Password: Investor's Password: Vour account with Otte Group Ltd and the MTS Live platform is open and ready for funding.	

Note: Each trading account on Otet has its dedicated user credentials, which are sent to the user via email.

* Attention: Before opening any trading account, you must first install the dedicated MetaTrader software of Otet brokerage on your system. To do so, you can download the appropriate version for your device from the Trading Platforms section of the dashboard, as explained above (option number 2). You can also access the download links for cTrader in mobile and desktop versions on the website's Platforms page, <u>www.OtetMarkets.com/Platforms</u>.

5. To connect your Otet trading account to MetaTrader, open the software you have downloaded from the Otet website or dashboard. From the page's top menu, click on the 'File' option, and from its menu, select 'Login to Trade Account'. The username and password can be used to access all downloaded MetaTrader software (Otet's dedicated desktop or mobile versions).

6. In the opened window, enter the username and password of your trading account that you have received via email, and by clicking the OK button, access your trading account.

I am opening a demo trading account on the MetaTrader platform.

To open a demo trading account on the MetaTrader platform, similar to a real account, you need first to select (1) the account type, (2) the deposit currency, (3) the account trading model (Hedging), (4) the leverage, and (5) the starting trading amount. Finally, you can create your account by clicking the 'Open Account' button.

The steps for transferring funds between trading accounts in Otet (Transfer)

1. One of the best ways to access the fund transfer page in Otet is to click 'Funds' from the lefthand menu and then select 'Transfer'.

2. On this page, you can choose to withdraw funds from (1) your trading account in Otet (e.g., Classic account) and deposit them into (2) which account (e.g., ECN). Enter the transfer amount in the 'Transfer amount' field and click the 'Transfer' button.

	≓ Transfer					
4	≏ Withdraw	2 () 0 USD 500156 Value cannot exceed 0				
۵		Info: This is the payment message !				
E		Transfer				

3. Another way to transfer funds is by clicking on 'Wallets' from the left-hand dashboard menu. All of your wallets will be displayed on this page. By clicking the three dots at the top right corner

of each box, a dropdown menu opens, from where you can also click on 'Transfer' to access the fund transfer page.

4. Furthermore, on the initial page of the Meta Trader platform within the dashboard, all trading accounts (Live / Demo) created are presented in distinct boxes. Within each box, the particulars of the corresponding charge can be observed as follows:

- (1) Account number
- (2) Trading account type (Live / Demo)
- (3) Base currency type
- (4) Account balance (Balance)
- (5) Free Funds
- (6) Free Margin
- 7) Leverage
- 8) Order Type

At the bottom of each box, there is a 'Transfer' button, which, upon clicking, directs you to the fund transfer page.

MetaTrader Software Password Recovery

To change your password for your Otet Markets Meta Trader account, follow the steps below in sequence:

1. From the left-hand dashboard menu, click the 'Trade Accounts' option and select the MT5 platform. Click on the account name for which you intend to change the password to access its dedicated page. At the top-right corner of this page, there are three icons for wallet, chart, and settings. By clicking on the settings icon, a page opens where you can modify the account name and the password you have set for it. To change the password, select 'Reset password'.
