

***** Training on how to open an account in cTrader (cTrader Platform)

To open a cTrader account through Otet Markets, do the following steps in order:

1. After logging in to your account in Otet, select Trade Accounts from the left menu and click cTrader.

0	Trade accounts	Q Search by login	III Sort ~	EN -☆: ♀ [→ ☑ Live ☑ Demo
::	ి MT5	• Live		
4	් cTrader	Create live account		
ŵ				
۵		Currency		

2. On the page that opens, you will see three sections as follows:

(1) Live: To create a real trading account

(2) Demo: To create a trial trading account (demo)

(3) Trading platforms: Downloadable versions of cTrader software for Android, iOS, Windows and web version

3. To open a live account, first choose the trading account type (Platform), then the deposit currency, the trading model of the account (Hedging), and the desired leverage (Leverage). Finally, click the 'Open account' button to create your account.

0	Trade accounts	Q Search by login	EN ∹☆: ᢕ [→ ı Sort ~ ☑ Live ☑ Demo

cTrader software password recovery

1. On this page, to enter the trading accounts, it is enough to write your username and password in the login window. If you have forgotten your cTrader password, you can follow the steps we have described below.

2. In your browser, type www.ctrader.com and enter the official cTrader website. On the top right of the first page, click the dummy icon and select the login option in the open window.

* Note: Before opening any trading account, you must install the exclusive cTrader software of Otet Brokerage on your system. For this purpose, you can download the appropriate version for your device from the Trading Platforms section of the dashboard that we explained above (option number 2). You can also access cTrader download links in mobile and desktop versions on the platforms page of <u>www.OtetMarket.com/Platforms</u>.

Steps to transfer money between trading accounts in Otet (Transfer)

On the dashboard's first page of the cTrader platform, all trading accounts (Live/ Demo) created are displayed in separate boxes. In each box, the details of that account can be seen as follows:

- (1) Account number
- (2) Trading account type (Demo and Live)
- (3) The type of base currency
- (4) Account balance
- (5) Free Funds
- (6) Free Margin
- (7) Leverage
- (8) Order Type

1. At the bottom of each box, there is a Transfer button, which you will be directed to the transfer page by clicking on it. On this page, you can choose which account to withdraw money from (e.g., standard account) and deposit to which account (e.g., Pro).

2. Enter the transfer amount in the Transfer amount field and click the Transfer button.

0	Trade accounts	Transfer	EN	÷¢÷	Û	[→
		FORM Prof 0 USD 1000753				
	ര് MT5					
4	ది cTrader	To Pro*				
B						
۵		(i) Info: This is the payment message !				
æ		Transfer				

3. Another way to access the money transfer page in Otet is to click on Funds from the left menu and then select Transfer.

0	Funds	Transfer	EN	÷ờ;-	Ŷ	[→
::	≚ Deposit	From Account •				
	► ≓ Transfer					
6	≏ Withdraw	To Account *				

4. Another way to transfer money is from the left menu in the dashboard. Click on Wallets to display all your wallets on this screen. By clicking on the three dots at the top right of each box, a drop-down menu will open from where you can click on Transfer to unlock the money transfer page.

Otet Markets brokerage support unit is ready to respond to dear customers 24 hours a day, seven days a week. If you face any challenges or want more information, contact our experts through the online chat at the bottom of the pages.
